Six local athletes were honored Saturday night as part of the 58th annual Athletic Appreciation Banquet at Martin Luther College.

The banquet honors a senior boy and girl athlete at each of the three New Ulm High Schools as the Athlete of the Year. Guest speaker was Minnesota State University, Mankato head football coach Todd Hoffner, who advised the student-athletes to take their academics seriously if they attend college next year and to get a good start on them so you don't dig yourself into a hole.

The following are the brief write-ups of the six athletes honored.

## New Ulm High School

### Tim Kehren

Kehren has been a key hockey player for the Eagles the past three years. His leadership skills on and off the ice lead to him being named Captain for his senior season. He was also chosen as the Hobey Baker Character Award winner this year.

"Timmy was one of those players that would do anything you would ask of him," coach Erik Setterholm said. "During the end of his junior year he was asked to play forward and even though this isn't an easy task for someone that regularly played defense he never questioned it and scored some key goals for us in the playoffs."

This spring, Tim will earn his third letter as a member of the Eagles Baseball Team.

In addition to his time on the ice and in the field he also was a member of the Eagles football team.

### Jill Gareis

Gareis is a hard working and dedicated athlete and leader. She was a three-year starter and letter winner on the volleyball team. She ended her career by setting the single season and career set assist record and was named All-Conference and Academic All-State.

Gareis is also a standout softball player.

"I am honored to have had the opportunity to coach Jill for the previous five years as Jill is one of those special kids that you cannot find someone that has a negative thing to say about her," softball coach Kristi Andersen said.

Gareis has been the starting first basemen for the Eagles softball team for four years and has played in 72 games.

She has received much recognition as a New Ulm Eagle and has been named two-time All-Journal, two-time All-Conference, two-time All-Section and All-State Honorable Mention.

Eckstein was a four-year letter winner in dance team and was a member of the team's choreography team for four years as well. She was also a dance team co-captain as a senior. She earned two very prestigious honors as a dancer, as she was twice named All-State in dance team. Eckstein was named All-State in Jazz as a junior and All-State in High Kick as a senior.

Simon will finish his career with six varsity letters - three in football and three in basketball. He is the son of Bob and Vickie Simon.

Simon was a three-year starter in football, where he played safety and running back and was a team captain. During his three varsity seasons, Cathedral won 34 games and lost only three for a .919 winning percentage. The Greyhounds were conference champions in 2009 and 2011, section champions in 2009 and 2010, and won the State Class A Football championship in 2010.

Simon was twice named All-Conference, was an All-Journal selection and recently was selected to play in the Minnesota High School All-Star Football Game. He plans to play college football at St. John's University.

Simon lettered three years in basketball and was a team captain. He averaged 13 points and six rebounds per game during his junior year. He was named honorable mention All-Conference, and to the All-Journal team as a junior. While an injury kept Nick out of all but one basketball game as a senior, he scored 13 points playing in the team's final playoff game.
